#### INDEPENDENT AUDITORS' REPORT

#### Report on the Financial Statements

We have audited the accompanying financial statements of Aroostook County Action Program, Inc. (a Maine nonprofit corporation), which comprise the statements of financial position as of September 30, 2021 and 2020, and the related statements of activities, functional expenses and cash flows for the years then ended and the related notes to the financial statements.

## Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

#### Auditors' Responsibility

Our responsibility is to express opinions on these financial statements based on our audits. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinions.

#### **Opinions**

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Aroostook County Action Program, Inc. as of September 30, 2021 and 2020 and the changes in net assets and its cash flows for the years then ended in conformity with accounting principles generally accepted in the United States of America.

#### Other Matters

#### Other Information

Our audit was conducted for the purpose of forming an opinion on the financial statements as a whole. The accompanying schedule of expenditures of federal awards as required by *Title 2 U.S. Code of Federal Regulations (CFR) Part 200, Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards*, is presented for purposes of additional analysis and is not a required part of the financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated in all material respects in relation to the financial statements taken as a whole.

#### Other Reporting Required by Government Auditing Standards

In accordance with *Government Auditing Standards*, we have also issued our report dated May 5, 2022 on our consideration of Aroostook County Action Program, Inc.'s internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is solely to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the effectiveness of Aroostook County Action Program, Inc.'s internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering Aroostook County Action Program, Inc.'s internal control over financial reporting and compliance.

#### (1) SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

<u>Nature of Operations</u> - Aroostook County Action Program, Inc. ("ACAP") is organized as a nonprofit Maine corporation to enable the people of Aroostook County to achieve greater economic independence and dignity and provide leadership to the community in responding to human needs. The accounting practices of ACAP are designed primarily to demonstrate stewardship of the funds entrusted to it, compliance with prescribed grant conditions, and other special requirements, including the furnishing of certain amounts of cash or noncash contributions to programs from nonfederal sources.

Approximately 90% and 83% of ACAP's support for the year ended September 30, 2021 and 2020, respectively, came from grants, contracts, and fees from the federal and state governments. Of those grants, 18% and 16% of direct federal funding was received from the U.S. Department of Health and Human Services for the Head Start program for the years ended September 30, 2021 and 2020 respectively.

A basic description of the programs is as follows:

Workforce Development – Workforce Development offers services to assist people who are seeking employment as well as businesses seeking employees. Services offered include Workforce Innovation and Opportunity Act (WIOA) services, other jobs training opportunities and programs, as well as Case Management.

Energy and Housing Services - Energy and Housing Services include energy assistance, such as Low-Income Home Energy Assistance (LIHEAP), Energy Crisis Intervention (ECIP), Low-Income Assistance (LIAP), Rental assistance, affordable housing repair and replacement program, lead hazard control program, home ownership education, weatherization, home ownership support counseling, family development accounts, micro business loans, above ground storage tank and central heating improvement programs.

Community Health - Community health operates the supplemental food program for Women, Infants, and Children (WIC); and provides community oral health education and dental services.

Early Care and Education – Early Care and Education provides Head Start, Child Care, and Child Care Food programs.

Fund-raising and Management and General – Fund raising and management and general includes the functions necessary to maintain programs and consists of those activities that are not identifiable with a single program; ensures an adequate working environment; provides coordination and articulation of ACAP's program strategy; secures proper administrative functioning of the Board of Directors; maintains competent legal services for the program administration of ACAP; and manages the financial and budgetary responsibilities of ACAP.

<u>Basis of Accounting</u> - The financial statements of Aroostook County Action Program, Inc. are prepared on the accrual basis of accounting. Under the accrual basis of accounting, revenue is recognized when earned and expenses are recognized when incurred.

#### NOTES TO FINANCIAL STATEMENTS (cont'd.)

#### (1) SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (cont'd.)

<u>Use of Estimates</u> - The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

<u>Financial Statement Presentation</u> - Aroostook County Action Program, Inc utilizes recommended accounting policies for Not-for-Profit Organizations. In August of 2016, FASB issued Accounting Standards Update (ASU) No. 2016-14, Not-for-Profit Entities (Topic 958): Presentation of Financial Statements of Not-for-Profit Entities with the stated purpose of improving financial reporting by not-for-profit entities. This ASU reduces the number of classes of net assets from three to two, requires the presentation of expenses in both natural and functional classifications, eliminates the requirement to prepare a reconciliation in the statement of cash flows when applying the direct method and requires disclosure of liquidity information within one year of financial position.

Revenue Recognition – In May 2014, the FASB issued ASU No. 2014-09, Revenue from Contracts with Customers ("Topic 606"). The ASU and all subsequently issued clarifying ASU's replaced most existing revenue recognition guidance in accounting principles generally accepted in the United States of America. Topic 606 requires that the Organization identify the contract with a customer, identify separate performance obligations within the contract, determine the transaction price, allocate the transaction price to each performance obligation, and recognize revenue as the performance obligations are satisfied. Topic 606 also required expanded disclosures relating to the nature, amount, timing, and uncertainty of revenue and cash flows arising from contracts with customers. The Organization adopted the new standard effective October 1, 2020, the first day of the Organization's fiscal year, using a modified retrospective transition approach.

The Organization employed the use of certain practical expedients in adopting ASC 606, as follows:

- For client services that are billed on a time-and-expense incurred or per unit basis and revenue is recognized over time, the Organization recognizes revenue at the amount to which it has the right to invoice for services performed.
- Incremental costs related to obtaining clients are expensed as incurred, as they would otherwise be amortized over less than one year.

The adoption of ASC 606 did not have a significant impact on the Organization's financial statements. The majority of the Organization's revenues are derived from government grants and contracts and donations which are non-exchange transactions. Revenues that do contain a performance obligation typically consist of a single performance obligation which is typically satisfied at the conclusion of the consumer encounter. Revenue is measured based on a consideration specified in a contract with a consumer, and excludes any amounts collected on behalf of third parties.

Based on the Organization's evaluation process and review of its contracts with consumers, the timing and amount of revenue recognized previously is consistent with how revenue is recognized under the new standard. Accordingly, the adoption of Topic 606 did not result in any changes in the accompanying financial statement line items comprising the Statements of Activities and had no effect on beginning net assets as of the date of initial adoption, October 1, 2020.

#### (1) SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (cont'd.)

Contributions are recognized when the donor makes a promise to give to ACAP that is, in substance, unconditional. Contributions received are recorded as with or without donor restrictions. When a restriction expires, net assets are reclassified as without donor restrictions and reported in the statements of activities as released from restrictions. Contributions that are restricted by the donor are reported as increases in net assets without donor restrictions if the restrictions expire in the fiscal year in which the contributions are recognized.

Conditional promises to give are recognized only when the conditions on which they depend are substantially met and the promises become unconditional.

Program fees and other revenue are recognized when earned.

Grants are either recorded as contributions or exchange transactions based on criteria contained in the grant award.

Grant awards that are contributions - Grants that qualify as contributions are recorded when invoices are sent to the funding sources. Revenue is recognized in the accounting period when the related expenses are incurred. Amounts received in excess of expenses are reflected as grant funds received in advance.

*Grant awards that are exchange transactions* - Exchange transactions reimburse based on a predetermined rate for services performed. The revenue is recognized in the period the service is performed.

<u>Cash and Temporary Investments</u> - ACAP considers all highly liquid investments available for current use with an initial maturity of three months or less to be cash equivalents. ACAP includes money market investments as cash and cash equivalents.

Accounts Receivable - Accounts receivable represent amounts due from various entities for services performed. Accounts receivable are stated at the amount management expects to collect on balances outstanding at year end. Based on history with customers having outstanding balances and current relationships with them, management has concluded that realization losses on balances outstanding at year end will be immaterial and no allowance has been recorded.

<u>Investments</u> - Investments include certificates of deposit, mutual funds, and common stock and are reported at their fair values as determined in an active market. Investment return is included in the statements of activities in investment income. Any investment income and gains restricted by a donor are reported as increases in net assets without donor restrictions if the restrictions are met either by passage of time or by use in the reporting period in which the income and gains are recognized.

<u>Fixed Assets</u> – Property and equipment are capitalized at cost or, if donated, at fair value on the date of donation. Depreciation is provided for using the straight-line method over the estimated useful life of the asset. Leasehold improvements are recorded at cost and amortized using the straight-line method over the shorter of the useful life or the associated lease term. ACAP considers items with a cost greater than \$5,000 and a useful life greater than one year to be property and equipment.

#### NOTES TO FINANCIAL STATEMENTS (cont'd.)

#### (1) SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (cont'd.)

Property and equipment purchased with grant funds are owned by ACAP while used in the program for which they were purchased or in other future authorized programs. However, the various funding sources have a reversionary interest in the property and equipment purchased with grant funds. Its disposition, as well as the ownership of any proceeds therefrom, is subject to funding source regulations. The net book value of grant property and equipment included on the statement of financial position is \$1,588,197 and \$1,679,359 at September 30, 2021 and 2020 respectively.

Fair Value Measurements - Fair value is the price that would be received to sell an asset or paid to transfer a liability in an ordinary transaction between market participants at the measurement date. A three-tier hierarchy prioritizes the inputs used in measuring fair value. These tiers include Level 1, defined as observable inputs such as quoted market prices in active markets; Level 2, defined as inputs other than quoted market prices in active markets that are directly or indirectly observable; and Level 3, defined as unobservable inputs in which little or no market data exists, therefore, requiring an entity to develop its own assumptions. The asset's or liability's fair value measurement within the hierarchy is based on the lowest level of any input that is significant to the fair value measurement.

<u>In-Kind Contributions</u> - In-kind contributions for supplies and professional services are recorded in the statement of activities as revenue and expenses in the period they are received. During the years ended September 30, 2021 and 2020, ACAP received \$729,455 and \$787,201 of such contributions, primarily for its community health and early care and education programs. In addition, ACAP received contributions of nonprofessional volunteer services during the years ended September 30, 2021 and 2020, of \$400,910 and \$61,347 for its early care and education programs. The nonprofessional volunteer services are not reported in the statements of activities as they do not meet the criteria to be recorded under accounting principles generally accepted in the United States.

<u>Functional Allocation of Expenses</u> – The costs of program and supporting services activities have been summarized on a functional basis in the statement of activities. The statements of functional expenses presents the natural classification detail of expenses by function. Accordingly, certain costs have been allocated among the programs and supporting services benefited. Personnel costs are allocated based on time and effort reporting. Other operating costs are allocated based on utilization.

Indirect Cost Rate - Joint costs are allocated to benefiting programs using an indirect cost rate. Joint costs are those incurred for the common benefit of ACAP's programs that cannot be readily identified with a final cost objective. A fixed rate has been approved by the Department of Health and Human Services (DHHS). The fixed rate of 18% is based upon direct salaries and wages excluding all fringe benefits was approved and in effect from October 1, 2020 to September 30, 2021. The fixed rate was 14.2% for the year ended September 30, 2020. Effective October 1, 2021, ACAP will be also using a fixed rate of 18% on the basis of direct salaries and wages excluding all fringe benefits.

<u>Federal Income Tax -</u> The Organization is classified as an exempt Organization for federal income taxes under Internal Revenue Code Section 501(c)(3).

The Organization has no uncertain tax positions that qualify for either recognition or disclosure in the financial statements. Management believes there were no activities subject to tax on unrelated business income.

#### NOTES TO FINANCIAL STATEMENTS (cont'd.)

#### (1) SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (cont'd.)

The Organization's tax returns are subject to review and examination by federal and state authorities. No examinations have been conducted by the Federal or State taxing authorities and no correspondence has been received from these authorities.

Recent Accounting Pronouncements – Leasing - In February 2016, FASB issued ASU 2016-02, Leases. This new standard will provide users of the financial statements a more accurate picture of the assets and the long-term financial obligations of entities that lease. The proposal is for a dual-model approach; a lessee would account for most existing capital leases as Type A leases, and most existing operating leases as Type B leases. Both would be reported on the balance sheet of an entity for leases with a term exceeding 12 months. Lessors will see some changes too, largely made to align with the revised lease model. The guidance is effective for years ending after December 15, 2021. The standard requires retroactive application to previously issued financial statements. Management is currently evaluating the impact of adoption on its financial statements.

#### (2) CONCENTRATION OF RISK

ACAP maintains cash balances, consisting of checking, savings accounts, money market accounts, and certificates of deposits at several financial institutions located in Aroostook County. Cash balances at Katahdin Trust Company in excess of FDIC limits are collateralized by pledged securities. As of September 30, 2021 and 2020 the amount exceeding FDIC limits at Katahdin Trust Company was \$3,230,259 and \$0 respectively. All other accounts at each institution are insured by the Federal Deposit Insurance Corporation (FDIC) up to \$250,000. At times during the year, balances in these accounts may exceed the insurance limits. Management believes the financial institutions have strong credit ratings and credit risk related to these deposits is minimal.

#### NOTES TO FINANCIAL STATEMENTS (cont'd.)

# (4) FAIR VALUE MEASUREMENTS

The following is a description of the valuation methodologies used for assets measured at fair value.

Common stocks and mutual funds are valued at quoted market prices. Certificates of deposit are valued at quoted prices for similar assets in active markets.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair value. Furthermore, while ACAP believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following tables present the balances of assets measured at fair value on a recurring basis by level within the fair value hierarchy as of September 30, 2021 and 2020:

<u>2021</u>	Fair Value	Using		
	Level 1	Level 2	Level 3	Fair Value
Certificates of deposit	1	\$ 343,989		\$ 343,989

The employee may contribute any amount to the plan provided that the contribution does not exceed the maximum allowable under the Internal Revenue Code. For the years ended September 30, 2021 and 2020, the employer contributions to the plan amounted to \$176,665 and \$166,015 respectively.

#### (11) NET ASSETS WITH DONOR RESTRICTIONS

Net assets with donor restrictions consist primarily of revolving loan funds available to loan out. The loan funds are restricted by various grantors for the intended purpose of the specific grant.

As of September 30, 2020 the revolving loan program under which the restrictions applied was no longer functional. Having reviewed the terms of the program, management determined the net assets were available to be released from restrictions, and transferred the net asset balance to net assets without restrictions as of October 1, 2021.

#### (12) COMMITMENTS AND CONTINGENCIES

ACAP participates in various governmental grant programs, which may be subject to future program compliance audits by grantors or their representatives. Accordingly, ACAP's compliance with applicable program grant requirements may be established at some future date. The amount, if any, of liabilities arising from disallowance of expenditures or ineligibility of grant revenue cannot be determined at this time. At September 30, 2021 and 2020, there was no known unrecorded contingent liabilities relating to compliance with the rules and regulations governing the funds, that management is aware of.

#### NOTES TO FINANCIAL STATEMENTS (cont'd.)

## (12) COMMITMENTS AND CONTINGENCIES (cont'd.)

On December 9, 2021, the Organization entered into a purchase and sale agreement with Facilities, Inc. to purchase real estate located at 1 Edgemont Drive in Presque Isle, Maine for \$700,000. The Organization anticipates utilizing local financial institutions to finance the purchase.

#### (14) GRANT AWARDS

At September 30, 2021, ACAP had received future funding commitments under various grants. These commitments are not recognized in the accompanying financial statements as they are conditional awards.

#### (15) GRANT FUNDS RECEIVED IN ADVANCE

Occasionally, The Organization receives grant awards in advance of the funds being expended. When this is the case the recognition of revenue from the grants is deferred until it is expended toward its specified purpose. As of September 30, 2021 and 2020 deferred grant revenues totaled \$2,185,143 and \$276,035 respectively.

#### (16) LIQUIDITY AND AVAILABILITY

ACAP does not have a formal liquidity policy but generally maintains financial assets in liquid form such as cash and cash equivalents for approximately 1-2 months of operating expenses. ACAP can rely on a lower cash balance as it is primarily funded with cost reimbursement grants. Under cost reimbursement grants, once expenses are incurred, an organization can request reimbursement from the funding source.

## (17) SUBSEQUENT EVENTS

Management has considered subsequent events occurring through May 5, 2022, the date the financial statements were available to be issued, and determined that no additional adjustments or disclosures are required for the financial statements to be fairly stated.

#### (18) COVID-19

The COVID-19 outbreak in the United States has caused business disruption through mandated and voluntary closings of multiple businesses. To date management has noted no negative impact of the pandemic on operations, however, management continues to monitor the situation as restrictions begin to ease. The final related financial impact on ACAP's operations, both in the current period and long-term, cannot be reasonably estimated at this time.

#### (19) PAYROLL PROTECTION LOAN

The Organization received a loan from Katahdin Trust Company totaling \$1,546,928 under the Payroll Protection Program established by the Coronavirus Aid, Relief, and Economic Security (CARES) Act. The loan was subject to a note dated January 1, 2021. ADDITIONAL REPORTS

Barbara E. McGuire, CPA, CGMA Timothy P. Poitras, CPA, CGMA

To the Board of Directors of Aroostook County Action Program, Inc.

INDEPENDENT AUDITORS' REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE WITH GOVERNMENT AUDITING STANDARDS

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of Aroostook County Action Program, Inc. (a nonprofit organization), which comprise the statement of financial position as of September 30, 2021, and the related statements of activities, cash flows and functional expenses for the year then ended, and the related notes to the financial statements, and have issued our report thereon dated May 5, 2022.

#### Internal Control Over Financial Reporting

In planning and performing our audit of the financial statements, we considered Aroostook County Action Program, Inc.'s internal control over financial reporting (internal control) as a basis for designing audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of Aroostook County Action Program, Inc.'s internal control. Accordingly, we do not express an opinion on the effectiveness of Aroostook County Action Program, Inc.'s internal control.

A deficiency in internal control exists when the design of or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A material weakness is a deficiency, or combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected on a timely basis. A significant deficiency is a deficiency, or combination deficiencies in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control over financial reporting was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

#### Compliance and Other Matters

As part of obtaining reasonable assurance about whether Aroostook County Action Program, Inc.'s financial statements are free of material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts and grants, noncompliance with which could have a direct and material effect on the financial statements. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance that are required to be reported under *Government Auditing Standards*.

#### Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the entity's internal control over compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the entity's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

Barbara E. McGuire, CPA, CGMA Timothy P. Poitras, CPA, CGMA

To the Board of Trustees of the Aroostook County Action Program, Inc.

INDEPENDENT AUDITORS' REPORT ON COMPLIANCE FOR EACH MAJOR PROGRAM AND ON INTERNAL CONTROL OVER COMPLIANCE REQUIRED BY THE UNIFORM GUIDANCE

#### Report on Compliance for Each Major Federal Program

We have audited Aroostook County Action Program, Inc.'s compliance with the types of compliance requirements described in the *OMB Compliance Supplement* that could have a direct and material effect on each of Aroostook County Action Program, Inc.'s major federal programs for the year ended September 30, 2021. Aroostook County Action Program' major federal programs are identified in the summary of auditor's results section of the accompanying schedule of findings and questioned costs.

#### Management's Responsibility

Management is responsible for compliance with federal statutes, regulations, and the terms and conditions of its federal awards applicable to its federal programs.

#### Auditor's Responsibility

Our responsibility is to express an opinion on compliance for each of Aroostook County Action Program, Inc.'s major federal programs based on our audit of the types of compliance requirements referred to above. We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States; and the audit requirements of *Title 2 U.S. Code of Federal Regulations (CFR) Part 200, Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance). Those standards and the Uniform Guidance require that we plan and perform the audit to obtain reasonable assurance about whether noncompliance with the types of compliance requirements referred to above that could have a direct and material effect on a major federal program occurred. An audit includes examining, on a test basis, evidence about Aroostook County Action Program' compliance with those requirements and performing such other procedures as we considered necessary in the circumstances.

We believe that our audit provides a reasonable basis for our opinion on compliance for each major federal program. However, our audit does not provide a legal determination of Aroostook County Action Program, Inc.'s compliance.

#### Opinion on Each Major Federal Program

In our opinion, Aroostook County Action Program, Inc. complied, in all material respects, with the types of compliance requirements referred to above that could have a direct and material effect on each of its major federal programs for the year ended September 30, 2021.

## Report on Internal Control Over Compliance

Management of Aroostook County Action Program, Inc. is responsible for establishing and maintaining effective internal control over compliance with the types of compliance requirements referred to above. In planning and performing our audit of compliance, we considered Aroostook County Action Program, Inc.'s internal control over compliance with the types of requirements that could have a direct and material effect on each major federal program to determine the auditing procedures that are appropriate in the circumstances for the purpose of expressing an opinion on compliance for each major federal program and to test and report on internal control over compliance in accordance with the Uniform Guidance, but not for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, we do not express an opinion on the effectiveness of Aroostook County Action Program' internal control over compliance.

A deficiency in internal control over compliance exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirement of a federal program on a timely basis. A material weakness in internal control over compliance is a deficiency, or combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a federal program will not be prevented, or detected and corrected, on a timely basis. A significant deficiency in internal control over compliance is a deficiency, or a combination of deficiencies, in internal control over compliance with a type of compliance requirement of a federal program that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance.

Our consideration of internal control over compliance was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control over compliance that might be material weaknesses or significant deficiencies. We did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

The purpose of this report on internal control over compliance is solely to describe the scope of our testing of internal control over compliance and the results of that testing based on the requirements of the Uniform Guidance. Accordingly, this report is not suitable for any other purpose.
